Operation Iraqi Children **School Supply Kits for IRAQ**

Thank you for your interest in providing help to those in need. If you need more information regarding Operation Iraqi Children, please visit www.operationiraqchildren.org.

The contents of each of these School Supply Kits are simple, basic items – colored pencils, paper, scissors – but having them can make a world of difference to a child heading back to school. For an Iraqi child, new school supplies can provide a sense of hope and caring.

School Kits are a highly requested item – thank you for insuring that *all* the listed contents are in each bag with no additional items to ensure easy customs clearance.
